

INDEPENDENT AUDITOR'S REPORT

To The Members of Continuum Trinethra Renewables Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Continuum Trinethra Renewables Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matter

The transition date opening balance sheet as at April 1, 2022 included in the financial statements, are based on the financial statements as at and for the year ended March 31, 2022 prepared in accordance with the Companies (Accounting Standards) Rules, 2021 (as amended) which were audited by the predecessor auditor, on which the predecessor auditors expressed an unqualified opinion dated July 12, 2022. The adjustments to the transition date opening balance sheet as at April 1, 2022 arising on transition to Ind AS have been audited by us.

Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) In our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, section 197 of the Act related to the managerial remuneration is not applicable.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the note 35 to the financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note 35 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Continuum Trinethra Renewables Private Limited ("the Company") as at March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.
- (B) The Company does not hold any intangible assets, reporting under clause 3(i)(B) of the order is not applicable.
- (b) The Company has a program of verification of property, plant and equipment so to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were due for verification during the year and were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based on the examination of the registered title deed and other records provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued any of its property, plant and equipment (including right-of-use asset) during the year. The Company does not have any intangible assets.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company does not have any inventory and hence reporting under clause (ii)(a) of the Order is not applicable.
- (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising (book debt statements, statements on ageing analysis of the debtors/other receivables) filed by the Company with such banks or financial institutions are in agreement with the unaudited books of account of the Company of the respective quarters.

- (iii) The Company has not made any investments in, provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, and hence reporting under clause (iii) of the Order is not applicable.
- (iv) The Company has not provided any loans or advances in the nature of loans or provided security to any other entity during the year, and hence reporting under clause (iii)(a) of the Order is not applicable. Further in our opinion and according to information and explanations given to us, provisions of section 186 of the Companies Act 2013 are not applicable to the Company.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Companies Act, 2013, and are of the opinion that, *prima facie*, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) In respect of statutory dues:
 - (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, cess and other material statutory dues applicable to the Company have been regularly deposited by it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
 - (b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2024.
- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, *prima facie*, not been used during the year for long-term purposes by the Company.

- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) and clause (ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
- (b) The Company has made preferential allotment of shares or optionally convertible debentures during the year. For such allotment of shares, the Company has complied with the requirements of Section 42 and 62 of the Companies Act, 2013, and as the allotment has been made through conversion of existing borrowings, the reporting on utilization of funds is not applicable.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with section 188 of the Companies Act for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards. The Company is a private company and hence the provisions of section 177 of the Companies Act, 2013 are not applicable to the Company.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-I of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- (d) The Group does not have any CIC as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.

- (xvii) The Company has not incurred cash losses in the financial year covered by our audit and had incurred cash losses amounting to Rs. 43 lakhs in the immediate preceding year as per audited financial statements prepared in accordance with the Accounting Standards notified under the Companies (Accounting Standards) Amendment Rules, 2016.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

CONTINUUM TRINETHRA RENEWABLES PRIVATE LIMITED

CIN: U40108MH2020PTC342084

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

1. Corporate Information

Continuum Trinethra Renewables Private Limited (the "Company") is a private limited company incorporated on July 17, 2020 and domiciled in India . The Company intends to be in the business of generation and sale of electricity and is setting up 240 MW capacity Wind Solar Hybrid (WSH) project in the State of Gujarat for sale of power under Open Access mechanism.

2. Basis of Preparation

In accordance with the notification dated February 16, 2015, issued by Ministry of Corporate Affairs, the Company has voluntarily adopted Indian Accounting Standards notified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") with effect from April 01, 2023. Accordingly, the transition date for adoption of Ind AS is April 01, 2022 for reporting under requirements of the Act.

Up to the year ended March 31, 2022, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Amendment Rules, 2016.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs, unless otherwise stated.

These Financial Statements have been approved by the Board of Directors of the Company on June 07, 2024.

Basis of Accounting

The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively in the year in which the estimates are revised and in any future periods affected.

The areas involving critical estimates or judgements are:

- Determination of useful lives of property, plant and equipment
- Impairment test of non-financial assets
- Recognition of deferred tax assets
- Recognition and measurement of provisions and contingencies
- Fair value of financial instruments
- Impairment of financial assets
- Revenue recognition

CONTINUUM TRINETHRA RENEWABLES PRIVATE LIMITED

CIN: U40108MH2020PTC342084

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

- Determination of incremental borrowing rate for leases
- Provision for expected credit losses of trade receivables
- Decommissioning liabilities

3. Material Accounting Policies

(a) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has ascertained its operating cycle as twelve months for the purpose of current / non-current classification of assets and liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. Advance tax paid is classified as non-current assets.

(b) Revenue from contract with customers

i) Sale of electricity

Revenue from the sale of electricity is recognized on the basis of the number of units of power generated and supplied in accordance with joint meter readings undertaken on a monthly basis by representatives of the licensed distribution or transmission utilities and at the rates prevailing on the date of supply to grid as determined by the power purchase agreements entered into with customers under open access sale and the surplus power as per the rate prescribed by relevant state regulatory commission to state discoms.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer or on account of change in law. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount or consideration payable to the customer, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods/services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Active and reactive charges are recorded as operating expenses and not adjusted against sale of power.

ii) Contract balances

A trade receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Unbilled revenue represents the revenue that the Company recognizes where the PPA is signed but invoice is raised subsequently.

Cor
R

mm

CONTINUUM TRINETHRA RENEWABLES PRIVATE LIMITED

CIN: U40108MH2020PTC342084

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

Advance from customer represents a contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer.

(c) Taxes

i) Current Tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income taxes are recognized in the statement of profit and loss except to the extent that the tax relates to items recognized outside profit and loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

ii) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses, to the extent that the entity has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at the end of each reporting period and are recognized to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax relating to items recognized outside profit and loss is recognized outside profit and loss. Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

R

mmh

CONTINUUM TRINETHRA RENEWABLES PRIVATE LIMITED

CIN: U40108MH2020PTC342084

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

(d) Property, plant and equipment

All items of property, plant and equipment, including freehold land, are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land has an unlimited useful life and therefore is not depreciated. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

The Company provides depreciation on Straight line basis (SLM) / Written down value (WDV) basis on all assets over useful life estimated by the management. The Company has used the following useful life to provide depreciation on its property, plant and equipment.

Category of property, plant and equipment	SLM/WDV	Useful life
Computer	WDV	3 Years
Furniture and fixtures	WDV	10 Years
Plant & equipment *	SLM	3 - 25 Years
	WDV	6 Years

* Based on technical estimate, the useful life of Plant & equipment are different than indicated in Schedule II to the Companies Act, 2013.

Temporary structures are depreciated fully in the year in which they are capitalised.

Right-of-use assets are depreciated over the shorter period of the lease term and the useful life of the underlying asset.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the assets.

(e) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset, until such time as the asset is substantially ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(f) Leases

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right of use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Category of lease	Useful life
Land	20 - 25 years

The right-of-use assets are also subject to impairment.

Lease liabilities

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value.

CM
A

smk

CONTINUUM TRINETHRA RENEWABLES PRIVATE LIMITED

CIN: U40108MH2020PTC342084

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

Lease payments on short-term leases and leases of low-value assets are recognized as expense on a straight-line basis over the lease term.

(g) Provisions

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(h) Impairment of non-financial assets

Management performs impairment assessment at the cash-generating unit ("CGU") level annually or whenever there are changes in circumstances or events indicate that, the carrying value of the property, plant and equipment may have suffered an impairment loss.

When indicators of impairment exist, the recoverable amount of each CGU is determined based on value-in-use computations. The key assumptions in the value-in-use computations are the plant load factor, projected revenue growth, EBITDA margins, and the discount rate.

(i) Financial instruments

i) Financial Assets

Initial recognition

With the exception of trade receivables that do not contain a significant financing component, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component are measured at the transaction price determined under Ind AS 115.

Subsequent measurement

Financial assets at amortised cost

A 'financial asset' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. Gains/losses arising from modification of contractual terms are included in profit or loss as a separate line item.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model. Financial assets at fair value through profit or loss are carried

ckh

mbr

CONTINUUM TRINETHRA RENEWABLES PRIVATE LIMITED

CIN: U40108MH2020PTC342084

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

in the balance sheet at fair value with net changes in fair value, including interest income, recognised in the statement of profit and loss.

Derecognition

On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received is recognised in profit and loss.

ii) Impairment of financial assets

The Company assesses at each balance sheet date whether there is any objective evidence that a financial asset is impaired. The Company recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For trade receivables, the Company applies a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. Trade receivables of the Company are mainly from high creditworthy C&I customers. Delayed payment carries interest as per the terms of agreements with C&I customers.

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

iii) Financial liabilities

Initial recognition

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit and loss, directly attributable transaction costs.

In case of interest free borrowings from parent, the difference between the transaction value and the fair value is recorded as a deemed contribution from parent.

Subsequent measurement

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value, including interest expense, recognised in the statement of profit and loss.

CONTINUUM TRINETHRA RENEWABLES PRIVATE LIMITED

CIN: U40108MH2020PTC342084

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

Financial liabilities at amortised cost

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation, is included as finance costs in the statement of profit and loss. Gains/ losses arising from modification of contractual terms are included in profit or loss as a separate line item.

Derecognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. On de-recognition of a financial liability in its entirety, the difference between the carrying amount and the sum of the consideration paid is recognised in profit and loss.

In case of early repayment of interest free borrowings from parent, this difference is recorded as a deemed distribution to parent.

iv) Embedded derivatives

The Company generally separates the derivatives embedded in host contracts which are not financial assets within the scope of Ind AS 109, when their risks and characteristics are not closely related to those of the host contract and the host contract is not measured at FVTPL. Separated embedded derivatives are measured at FVTPL.

v) Compound financial instruments

Compound financial instruments are separated into liability and equity components based on the terms of the contract. On issuance, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost until it is extinguished on conversion or redemption. The remainder of the proceeds is allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 criteria for fixed to fixed classification. Waivers of interest received from the parent company are recorded as deemed contribution.

vi) Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 115. The Company estimates fair value of the financial guarantee based on the present value of the probability weighted cash flows that may arise under the guarantee. In cases where the Company is the borrower, it views the unit of account being as the guaranteed loan, in which case the fair value is the face value of the of the proceeds received.

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

(j) Fair value measurement

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(k) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of parent company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the parent company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

In case of mandatorily convertible instruments, the ordinary shares issuable upon conversion are included in the calculation of basic earnings per share from the date the contract is entered into. Convertible instruments classified as financial liabilities are included in the calculation of diluted earnings per share.

(l) New and amended standards

On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023 as below:

i) Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose the material accounting policies rather than significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements.

ii) Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.

CONTINUUM TRINETHRA RENEWABLES PRIVATE LIMITED

CIN: U40108MH2020PTC342084

Notes to the Financial Statements as at March 31, 2024

All amounts are ₹ in lakhs unless otherwise stated

iii) Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty.

The above amendments have been considered by the Company in preparation of the financial statements. The amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

(m) New and amended standards issued but not effective

There are no new or amended standards issued but not effective as at the end of the reporting period which may have a significant impact on the financial statements of the Company.

(n) Transition to Ind AS

The Company has prepared the opening balance sheet as per Ind AS as at the transition date by recognizing, derecognizing or reclassifying items of assets and liabilities from the previous GAAP to Ind AS as per the requirements set out by Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to the certain optional exemptions availed by the Company as detailed below.

i) Deemed cost for property, plant and equipment

The Company has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets recognised as of the transition date measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

ii) Leases

The Company has measured right-of-use asset at an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application.

The Company has applied paragraphs 9-11 of Ind AS 116 to determine whether an arrangement existing at the transition date contains a lease on the basis of facts and circumstances existing at that date.

Following is the summary of practical expedients elected on initial application (on a lease-by-lease basis):

- Applied the exemption not to recognize ROU assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application
- Used hindsight, such as in determining the lease term if the contract contains options to extend or terminate the lease.

iii) Decommissioning liabilities

The Company has elected not to apply the requirements for *Changes in Existing Decommissioning, Restoration and Similar Liabilities* as per appendix A to Ind AS 16 for changes in such liabilities that occurred before the date of transition to Ind AS.

The pledge of equity shares, quasi equity, both present and future, held by the pledgor, to the extent of the specified percentage i.e. 51% (fifty one percent) equity shares, 51% (fifty one percent) and OCDs, free from all restrictive covenants, lien or other encumbrance under any contract, arrangement or agreement including but not limited to any shareholders agreement (if any) of the
- The loan from PFC carries interest rate which is applicable as on date of drawdown, currently it carries interest rate range between 8.90% to 9.45% and the principle outstanding is repayable in 180 monthly instalments, commencing from the first standard due date falling 12 months after scheduled commercial operations date (SCOD) whichever is earlier.
- Corporate Guarantee (CG) of Continuum Green Energy Limited, Singapore (CGEL). CG would be valid for :
 - till Power Curve Guarantee Test (PCGT)/ Power Guarantee Test (PGT) for the entire Project i.e. 199.9 MW (99.90 MW Wind and 100 MWAC / 140 MWDC solar capacity) is completed, to the satisfaction of Lenders, or in case of shortfall, damages are recovered from the EPC Contractor in accordance with the EPC Contract,
 - till not less than 2 (two) year of successful operation in adherence to EBITDA and/or generation as per Banking Base Case, to the satisfaction of Lenders,
 - till the time all the Securities are created and perfected in the favour of the Lender.

16.2 Term Loan from banks

The Company has obtained the term loan facility of INR 87,825 lakhs for its 240 MW capacity project from Power Finance Corporation Ltd (PFC). The loan facility includes non-fund based facility of INR 35,874 lakhs against which PFC has provided undertaking in favour of HDFC bank limited basis, for which HDFC bank limited has issued Letter of Credit facility (LC facility) for equivalent amount in favour of the project suppliers. LC facility has been issued for the period of one year from date of discounting of LC. Upon completion of LC period, LC will get converted into term loan facility of PFC.

During the year ended April 1, 2022 and March 31, 2023, suppliers have presented and encashed Bills of Exchange (BOEs) with bank and corresponding liability is accounted for as borrowings by the company against the supplier balances. Such borrowings on account of discounting of those BOEs under the existing LCs have been eventually got converted into term loan on 14th December 2022, hence previous year amount has been classified on the basis of repayment terms of the term loan availed from PFC.

Previous year, the company has taken disbursement against BOEs discounted and hence such BOEs discounted with banks amounts as at (March 31, 2023: Nil ; April 1, 2022 ; INR 33,210) at prevailing MCLR rate of the said banks.

16.3 Terms of OCDs issued to CGEIP, classified as compound financial instruments with liability component measured at amortized cost

- Optionally Convertible Debentures or OCDs issued by the Company shall have a face value of INR 10/- each.
- Each OCDs shall be convertible into one equity share of INR 10/- each at any time at the option of the Company but at any time not later than 25 years from the date of allotment.
- The Company may redeem any or all OCDs at any time at par but at any time not later than 25 years from the date of allotment.
- OCDs shall carry a non-cumulative coupon of 9% p.a. payable annually or more frequently at the option of the Company and such coupon shall accrue only after the Company has achieved commercial operations date (COD) of its project.
- OCDs shall be unsecured.
- Promoter's contributions by way of OCDs shall be expressly subordinated to the facility of the lender and shall have no charge/recourse to the assets secured with the lender;
- Any interest/dividend, expenses on OCDs post COD shall be met only out of the Dividend Distribution Account after meeting Debt Service Reserve Account (DSRA) and all other reserve requirements as per the Trust and Retention Account Agreement;
- Any statutory dues in respect of OCDs post COD shall be met by the Promoter without any recourse to the Project or only out of the Dividend Distribution Account after meeting DSRA and all other reserve requirements as per the Trust and Retention Account Agreement.
- No repayment/redemption of principal amount of such OCDs shall be permissible until the final settlement date.
- The OCDs or part thereof shall not be transferred and/or assigned and/or be subject to creation of any Security Interest whatsoever without the prior written consent of the lender.
- Any modification in terms and conditions of OCDs shall be with the prior written consent of the lender;
- The subscriber may enforce conversion rights, with the prior written consent of the Lender, subject to maintaining the stipulated pledge and management control requirement as per the sanction letter.
- Any interest, expenses or statutory dues related to OCDs, accrued and/or payable till COD of the Project shall not be considered as part of estimated project cost.

Reconciliation of the number of OCDs of INR 10/- each outstanding at the beginning and at the end of the year

Particulars	As at March 31, 2024	As at March 31, 2023
At the beginning of the year	282,280,000	209,575,000
Add: Issued during the year	22,710,000	72,705,000
At the end of the year	304,990,000	282,280,000

16.4 Terms of loan from related parties

Unsecured loan from Continuum Green Energy (India) Private Limited (CGE IPL) is interest free. These will be paid to parent company as per term of finance documents but subordinated to secured liabilities and accordingly classified as non current. This was infused as promotor's contribution as required under finance document with PFC. These loans are measured at amortised cost, along with separated embedded derivative (prepayment option) measured separately at fair value through profit or loss. The value of embedded derivative as at March 31, 2024 is Nil (March 31, 2023: Nil; April 01, 2022: Nil).

16.5 Terms of working capital facility

The Company has been sanctioned a total of fund based and non fund based facility of ₹ 3,100 lakhs (March 31, 2023: ₹ 3,100 lakhs; April 01, 2022: ₹ 3,100 lakhs). Out of this facility as on March 31, 2024 the Company has availed total of ₹ 1,554.06 lakhs (March 31, 2023 ₹ 1,478 lakhs, April 01, 2022: Nil).

The Company has availed fund based working capital facility from HDFC Bank Limited amounting to INR 1,500 which was undrawn as at March 31, 2024.

The Company has availed non- fund based SBLC facility from HDFC Bank Limited amounting to INR 1,600 lakhs out which INR 1,554.06 lakhs (March 31, 2023: INR 1,478 lakhs; April 01, 2022: Nil) which was utilised as at March 31, 2024.

Net debt	114,883.46	109,683.13	59,605.68
Total Equity	13,873.41	17,416.59	13,170.06
Net debt to equity ratio	8.28	6.30	4.53
Debt to equity ratio	8.78	6.40	5.12

* Debt comprises of current and non-current borrowings (including liability component of OCD amounting to INR 25,648.27 lakhs (March 31, 2023: INR 21,579.81 lakhs; April 01, 2022: INR 15,098.00 lakhs) and lease liabilities.

The Company has not defaulted on any loans payable and there has been no breach of any loan covenants.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2024, and March 31, 2023.

32.2 Categories of financial instruments

The following table provides categorisation of all financial instruments,

Particulars	As at March 31, 2024	As at March 31, 2023	As at April 01, 2022
Financial assets			
Measured at amortised cost			
(a) Trade receivable	300.21	438.28	-
(b) Unbilled revenue	4,468.39	2,346.30	-
(c) Cash and cash equivalents	6,973.76	1,869.48	7,815.29
(d) Other bank balances	2,163.81	-	-
(e) Other financial assets	182.46	371.80	505.86
Total financial assets	14,088.63	5,025.86	8,321.15
Measured at amortised cost			
(a) Borrowings	119,835.49	109,555.02	66,509.32
(b) Lease liabilities	2,021.73	1,997.59	911.65
(c) Trade payables	1,868.54	367.87	81.39
(d) Other financial liabilities	2,169.82	5,544.07	9,838.67
Total financial liabilities	125,895.58	117,464.55	77,341.03

32.3 Financial risk management objectives

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets comprise loans given, cash and bank balance, trade and other receivables that The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The Company's senior management team oversees the management of these risks. The Board of Directors review and agree policies for managing each of these risks, which are summarised below:

(i). Market risk

Market risk is the risk of loss of future earnings, to fair values or to future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments, loans, borrowings and deposits.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2024, March 31, 2023, and April 01, 2022.

2

2

a. Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates and loans given to related parties with floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The following table provides amount of the Company's floating rate loans and borrowings:

Particulars	As at March 31, 2024	As at March 31, 2023	As at April 01, 2022
Floating rate borrowings	94,889.00	86,150.00	51,284.17
Total	94,889.00	86,150.00	51,284.17

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings taken at floating rates. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Impact on Profit/(Loss) before tax for the year		
Floating rate borrowings		
Increase by 50 Basis Points	(474.45)	(430.75)
Decrease by 50 Basis Points	474.45	430.75

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in the prior years

b. Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have any exposure to foreign currency risk.

(ii). Credit risk management

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables).

a. Trade receivables

The Company has adopted a policy of only dealing with counterparties that have sufficient credit rating. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company has applied a simplified approach under Expected Credit Loss (ECL) model for measurement and recognition of impairment losses on trade receivables.

b. Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments.

fu

mm

(iii). Liquidity risk management

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs.

Liquidity risk table

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Particulars	Upto 1 year	1-5 years	More than 5 years	Total
March 31, 2024				
Term loans from banks & financial institutions - Principal	6,310.12	21,103.31	67,475.57	94,889.00
Term loans from banks & financial institutions - Interest *	413.59	-	-	413.59

Other financial liabilities	5,544.07	-	-	5,544.07
Total	9,875.82	29,856.55	127,559.00	167,291.37
April 01, 2022				
Term loans from banks & financial institutions - Principal	2,046.24	10,831.22	38,406.72	51,284.17
Term loans from banks & financial institutions - Interest *	108.53	-	-	108.53
Loans from related parties - principal	-	-	3,550.00	3,550.00
OCD issued to related parties - interest	-	7,074.45	38,167.89	45,242.34
Lease liabilities	163.96	686.39	5,636.34	6,486.68
Trade payables	81.39	-	-	81.39
Other financial liabilities	9,838.67	-	-	9,838.67
Total	12,238.78	18,592.06	85,760.94	116,591.79

The above table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the table have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

* Interest payments of floating rate loans represent interest accrued but unpaid as at the end of the reporting period.

Note on management of negative working capital

The Company has current liabilities higher than current assets by Nil (as at March 31, 2023 by INR 1,591.45 lakhs and as at April 01, 2022 by INR 2,144.56 lakhs). Taking into consideration, all projects of Company are now fully operational and having positive cashflows from operations along with long term PPAs, the Board of Directors have concluded that Company can generate sufficient future cash flows to be able to meet its current obligations, as and when due, in the foreseeable future and accordingly, the financial statements have been prepared on a going concern basis.

Handwritten initials 'F' and 'M' in blue ink.

Handwritten initials 'M' in blue ink.

33 Fair Value Measurement

33.1 Fair value of financial instruments that are measured at fair value on a recurring basis

The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents and other bank balances are considered to be the same as their fair values, due to their short term nature.

33.2 Fair value of financial assets and financial liabilities that are measured at amortised cost:

The management believes the carrying amounts of financial assets and financial liabilities measured at amortised cost approximate their fair values.

34 Ratio Analysis and its elements

Where any one or both the components of ratios are extracted from statement of profit and loss, the ratios are provided for the year ended March 31, 2024 and March 31, 2023. However, where both the components of ratio are extracted from the Balance sheet, the ratios are provided for all the three periods (i.e., as at March 31, 2024, as at March 31, 2023 and April 01, 2022).

a) Current Ratio = Current assets divided by Current liabilities

Particulars	As at March 31, 2024	As at March 31, 2023	As at April 01, 2022
Current assets	14,290.23	4,923.63	8,119.34
Current liabilities	11,020.57	6,515.07	10,263.90
Ratio (In times)	1.30	0.76	0.79
% Change from previous year	71.05%	-3.80%	-

Reason for change more than 25%:

Current ratio have been increased as revenue from generation have started in current year resulting into higher trade receivables and cash and bank balances due to collections received from customers.

b) Return on Equity Ratio = Net profit after tax divided by average equity

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Net profit after tax	(651.75)	(2,572.13)
Average equity*	15,645.00	15,293.33
Ratio (In %)	-4.17%	-16.82%
% Change from previous year	-75.21%	

*Average equity represents the average of opening and closing total equity.

Reason for change more than 25%:

Return on equity increased due to decrease in loss during the year due to higher generation in current year as project is operating with full capacity.

c) Trade Receivables turnover ratio = Credit Sales divided by average trade receivables

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Credit sales*	21,138.00	5,132.85
Average trade receivables #	369.25	219.14
Ratio (In times)	57.25	23.42
% Change from previous year	144.45%	

Trade receivables is included gross of ECL. Average Trade receivables represents the average of opening and closing trade receivables.

Reason for change more than 25%:

Trade receivable ratio increased due to higher revenue generation in current year as compared to previous year as project is operating with full capacity.

CA
E

over

d) Trade payables turnover ratio = Credit purchases divided by average trade payables

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Credit purchases	2,365.58	1,856.86
Average Trade Payables #	1,118.21	224.63
Ratio (In times)	2.12	8.27
% Change from previous year	-74.37%	

Trade payable excludes employee payables. Average Trade payable represents the average of opening and closing trade payables.

Reason for change more than 25%:

Trade payable turnover ratio decreased on account of increase in average trade payable due to project is operating with full capacity during the year as compared to previous year.

e) Net Capital Turnover Ratio = Sales divided by Net Working capital

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Revenue from operations (A)	21,138.00	5,132.85
Current assets (B)	14,290.23	4,923.63
Current liabilities (C)	11,020.57	6,515.07
Net working capital (D = B - C)	3,269.66	(1,591.44)
Ratio (In times) (E = A / D)	6.46	-3.23
% Change from previous year	-300.00%	

Reason for change more than 25%:

Net Capital turnover ratio increased due to increase in revenue from operations as project is operating with full capacity during the year as compared to previous year.

f) Net profit ratio = Net profit after tax divided by Sales

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Profit after tax	(651.75)	(2,572.13)
Revenue from operations	21,138.00	5,132.85
Ratio	-3.08%	-50.11%
% Change from previous year	-93.85%	

Reason for change more than 25%:

Net profit ratio has improved due to increase in revenue from operations as compared to previous year as project is operating with full capacity.

mm

g) Return on Capital employed (pre-tax) = Earnings before interest and taxes (EBIT) divided by Capital Employed

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Profit before exceptional items and tax (A)	1,432.23	(2,848.47)
Finance cost (B)	11,063.50	3,834.79
EBIT (C) = (A+B)	12,495.73	986.32
Tangible net worth *(D)	13,873.41	17,416.59
Total debt **(E)	121,857.22	111,552.61
Deferred tax liability (F)	1,546.73	3,335.14
Capital Employed (G)=(D+E+F)	137,277.37	132,304.35
Ratio (In %)	9.10%	0.75%
% Change from previous year	1113.33%	

*Tangible net worth = Net worth (Shareholder's fund) -Intangible assets -Deferred tax assets

** Debt comprises of current and non-current borrowings and lease liabilities.

Reason for change more than 25%:

Return on Capital employed increased due to increase in revenue from operations as compared to previous year as project is operating with full capacity lead to profit before tax in FY 2023-24.

h) Debt Equity ratio = Total debts divided by total equity

Particulars	As at March 31, 2024	As at March 31, 2023	As at April 01, 2022
Total debt *	121,857.22	111,552.61	67,420.97
Shareholder's funds	13,873.41	17,416.59	13,170.06
Ratio (In %)	8.78	6.41	5.12
% Change from previous year	37.14%	25.11%	

* Debt comprises of current and non-current borrowings and lease liabilities.

Reason for change more than 25%:

Debt equity ratio increased due to disbursements of loan taken towards the construction of project in FY 2023-24 and 2022-23.

i) Debt service coverage ratio= Earnings available for debt services dividend by total interest and principal repayments.

Particulars	As at March 31, 2024	As at March 31, 2023
Profit after tax (A)	(651.75)	(2,572.13)
Add: Non cash operating expenses and finance cost		
- Depreciation and amortisation	4,889.22	1,639.16
- Finance cost	11,063.50	3,834.79
Total Non-cash operating expenses and finance cost (B)	15,952.72	5,473.95
Earnings available for debt services (C = A + B)	15,300.97	2,901.82
Debt service		
Interest (D)	9,209.27	7,451.24
Lease payments (E)	164.22	163.96
Principal repayments (F)	6,267.00	35,528.91
Total Interest and principal repayments (G = D + E + F)	15,640.49	43,144.11
Ratio (In times) (H = C / G)	0.98	0.07
% Change from previous year	1300.00%	

Reason for change more than 25%:

Debt service coverage ratio increased on account of higher generation of revenue due to project is operating with full capacity.

Net increase/ (decrease) in cash and cash equivalents	(5,935.00)	(10.81)	(5,945.81)
Cash and cash equivalents at the start of year	7,804.00	11.29	7,815.29
Cash and cash equivalents at the end of year	1,869.00	0.48	1,869.48

2

2024

36.4 Notes to first-time adoption:

a. Leases

Under previous GAAP, the lease payment made for the properties taken on lease is recognised as Rent Expenses in the Statement of Profit and Loss for the period. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on balance sheet lease accounting model for lessees. Under Ind AS, the Company should recognise right-to-use asset (ROU asset) and lease liability for the properties taken on lease subject to exemption provided in the Ind AS 116. On application of Ind AS 116, the nature of expenses has changed from lease rent to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability. There is no change in accounting by the lessor.

b. Optionally convertible debentures

As on transition date, the optionally convertible debentures issued by the Company are classified as a compound financial instrument. Under previous GAAP, these were presented as a separate line item in the balance sheet at face value. Under Ind AS, the financial instruments are accounted for in accordance with Ind AS 32, by bifurcating the same into equity and liability component.

c. Interest free loans from related parties

The Company has taken interest free loans with prepayment options from related parties, which have been accounted as financial liabilities measured at amortised cost, with separated embedded derivative (prepayment option) measured separately at fair value through profit or loss.

d. Deferred Tax

The previous GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using balance sheet approach which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. Various transitional adjustments has resulted in recognition of temporary differences.
