

Public Release
Date: 19th July, 2023

Continuum Green Energy Limited, Singapore in its board meeting on 17th July 2023, has authorized its management to explore options for reducing the interest cost of its corporate debt facility.

Continuum (www.continuumenergy.in) is an India-focused renewable energy platform, with majority of its assets focused on Commercial & Industrial (C&I) consumers, with 1,300 MW of operating and an additional 1,033 MW under construction projects. Continuum is majority-owned by a global infrastructure fund managed by Morgan Stanley Infrastructure Partners.
